Suggested Summer Activities

- Review some second-grade skills using IXL. Please visit www.ixl.com/signin/lcdsva and use your school account to work on any second-grade skills. Please do not attempt any third-grade ones as we want to keep those for the coming year!
- Put a blob of paint on your paper. Use a straw to blow it around to create a crazy shape. Let it dry and then use markers or paint to turn the shape into a crazy creature or anything you want!
- Swim two lengths of the pool and go on a water slide that is quite scary.
- Consider visiting the Loudoun 4H Fair in July.
- If you travel anywhere, near or far, see if you can find out 5 interesting facts about it that you didn't already know.
- Visit your local public library.
- Visit a nursery, plant a food crop, care for it, harvest it, and eat it.
- Go see a concert this summer! There are many free concerts offered. Check out www.funinfairfaxva.com, www.wolftrap.com, www.dullesmoms.com, www.oneloudoun.com
