### Summer Enrichment BINGO Instructions

Print this page and follow the directions at the bottom of the BINGO Card. Write in the boxes any activities from the list on the previous page. If you undertake a specific activity more than once, you may write it on the card twice, but you cannot write any specific activity more than *twice*. The card must be completely filled-in with *nine* activities undertaken between June 11th and September 8th. Then, bring this page to school on the first day and receive a treat.

## Kindergarten Summer Reading Project 2019-2020

Draw a picture from your favorite book you read this summer. Cut out your picture and glue it onto a piece of construction paper to bring in and share during the first week of school.

Below is a list of prolific children's authors whose books typically delight young children. Of course, feel free to read books of your own choice. Many early childhood reading organizations recommend that adults read to young children for twenty minutes a day. Rhyming is a major concept that is covered in Kindergarten, so any opportunity to further encourage that skill is wonderful as well. We hope that you and your child will joyfully engage in the pleasure of reading each and every day of the summer! Happy Reading!

### **Suggested Authors:**

Lois Ehlert  
Bill Martin Jr.  
Peggy Rathmann  
Richard Scarry  
Maurice Sendak  
Dr. Seuss  
Rosemary Wells
