

Loudoun Country Day School Kindergarten Suggested Summer Activities 2021-2022

- Please visit <https://www.ixl.com/> and use your school account to work on any PK skills. We encourage you to stay in the PK skills as we will use the kindergarten sets for the coming year!
- Go on a long hike with a grown up.
- Ride a bike with or without training wheels.
- Become comfortable with wading in the pool and putting your head underwater (swim lessons included during the first trimester of PE).
- Use scissors to practice cutting skills - such as cutting shapes out of a piece of paper and cutting on the lines around a picture.
- Sing the alphabet song and practice writing the letters.
- Practice counting and writing to 10.
- Draw a picture and color it inside of the lines.
- Attend storytime at your local library.
- Practice writing and recognizing your first name.
- Watch a Broadway Musical, Concert, or an animated musical movie.

Kindergarten Summer Reading Project

Draw a picture from your favorite book you read this summer. Cut out your picture and glue it onto a piece of construction paper to bring in and share during the first week of school.

Below is a list of prolific children's authors whose books typically delight young children. Of course, feel free to read books of your own choice. Many early childhood reading organizations recommend that adults read to young children for twenty minutes a day. Rhyming is a major concept that is covered in Kindergarten, so any opportunity to further encourage that skill is wonderful as well. We hope that you and your child will joyfully engage in the pleasure of reading each and every day of the summer! Happy Reading!

Suggested Authors:

Lois Ehlert, Bill Martin Jr., Richard Scarry, Maurice Sendak, Dr. Seuss, and Rosemary Wells
